

I SURRENDER

G /// D /// Em /// C ///

G D Em C G D Em C
At Your voice silence falls, my heart pounds, I cannot explain You
G D Em C G D Em C
When I doubt when I fear, You draw near, always You remind me:
G D Em C
"Do you command the sun to shine, golden splendor from your mountain
G D Em C
Can you make the lightning strike, turn a vapor into rain
G D Em C
Rivers rage, eagles soar, have you explored the oceans deep"
G D Em C
So here I sit in silenced awe, at things too wonderful for me

Em C G D
AND I SURRENDER, LAY IT DOWN, POUR IT OUT
Em C G D
IN SURRENDER, IN MY SILENCE HEAR YOU SHOUT
Em C G D
EMPTIED BEFORE YOU, AS YOUR GLORY MEETS MY PRIDE
C
AND I SURRENDER

G D Em C G D Em C
At Your voice silence falls, my heart pounds, I cannot explain You
G D Em C G D Em C
When I doubt when I fear, You draw near, always You remind me:
G D Em C
"Where were you when with a word, I displayed the earth's foundation
G D Em C
Did you hear the morning stars as they sang their songs of praise
G D Em C
And have you seen the gates of hell, do you know where darkness lives?"
G D Em C
So with my mouth I confess, in Your presence I'm undone
