

## WHAT YOU DO WITH WHAT YOU KNOW (Lilliana's Song)

---

Bm /// Bm/G /// A /// D / F# /

Bm                    Bm/G    A                    Bm  
Somewhere else, not so far, just a girl and even now I  
Bm                    Bm/G                    A                    Bm  
See your eyes, hear your voice I'm haunted by your smile  
Bm                    Bm/G                    A                    Bm  
I have seen much it seems, many faces, just like yours where  
Bm                    Bm/G                    A                    Bm  
Hope is gone, and fear is strong oh I am not the same

G    A            D  
A - rise my soul  
G    A            Bm  
And wake this cold cold heart  
G    A            Bm  
Take hold of what you know  
          G                    Bb  
Want a life that sings, and words that live  
          C  
And a heart that soars beyond myself  
          Bm /// Bm/G /// A /// D / F# /  
To You

Bm                    Bm/G    A                    Bm  
Somewhere else, not so far, tired hands, beautiful and  
Bm                    Bm/G                    A                    Bm  
Worn by toil, acts of love, they're chasing priceless gain  
          Bm    Bm/G                    A                    Bm  
The secret is found in you that life is ours to give away  
          Bm                    Bm/G                    A                    Bm  
And where hope lives, love's words are heard, oh I am not the same

G A D  
A - rise my soul  
G A Bm  
And wake this cold cold heart  
G A Bm  
Take hold of what you know  
G Bb  
Want a life that sings, and words that live  
C  
And a heart that soars beyond myself

IT'S WHAT YOU DO WITH WHAT YOU KNOW D A  
CHANGE THE ONE AND YOU CAN CHANGE THE WORLD Bm A G  
IT'S WHAT YOU DO WITH WHAT YOU KNOW D A  
CHANGE THE ONE AND YOU CAN CHANGE YOURSELF Bm A G (C to end)
